Facilities for treatment of fruits

2174. SHRI NANDI YELLAIAH: Will the Minister of FOOD PROCESSING INDUSTRIES be pleased to state:

(a) the details of benefits to farmers with integrated pack house and vapour heat treatment plants, for treatment of fruits like mangoes, bananas, apples and tomatoes, *etc.* and location of such plants, State-wise and district-wise;

(b) whether Government would assure of providing some incentives and sufficient subsidies and liberal loan facilities with a low rate of interest, to farmers' community to establish their own plants in districts where fruits, *etc.* are produced in abundant, as they would get support price for fruits, *etc.* at a later part of the season, instead of getting them spoiled or allowing farmers to sell away their products at throw-away prices, which discharges production; and

(c) if not, the reasons therefor?

THE MINISTER OF STATE OF FOOD PROCESSING INDUSTRIES (SHRI SUBODH KANT SAHAI): (a) to (c) Financial assistance to exporters, producers, growers, cooperative organizations and federations towards setting up of infrastructure facilities in horticulture sector like integrated pack houses and vapour heat treatment plants is provided by Agricultural and Processed Food Products Export Development Authority (APEDA) under Ministry of Commerce and Industry under its Plan Scheme. During the last two years, APEDA has provided the financial assistance for setting up of Vapour Heat Treatment (VHT) including packing and grading facilities at Nuzvid and Tirupati Districts in Andhra Pradesh and for setting up of VHT facilities at Saharanpur District in Uttar Pradesh.

Ministry of Food Processing Industries also extends financial assistance in the form of grant-in-aid @ 25% of the cost of Plant and Machinery and Technical Civil Works subject to a maximum of Rs. 50 lakhs in general areas or 33.33% subject to a maximum of Rs. 75 lakhs in difficult areas under the Scheme of Setting up/Modernization/Expansion of food processing industries to all implementing agencies including farmers. In order to ensure speedy disbursement of financial assistance, the Ministry has decentralized the disbursement procedure through banks under the Scheme of Setting up/Modernization/Expansion of food processing industries with effect from 01.04.2007. In addition, under the Technology Mission for Integrated Development of Horticulture in North Eastern States, Jammu and Kashmir, Himachal Pradesh and Uttarakhand, higher levels of assistance @ 50% upto Rs. 4.00 crore for setting up and Rs. 1.00 crore for Upgradation of fruit and vegetables processing is provided.

With a view to eliminate the role of middlemen and to facilitate remunerative prices to farmers, Ministry of Agriculture has initiated the schemes for development/strengthening of agricultural marketing infrastructure, grading and standardization to disseminate price related information and to strengthen the agricultural marketing infrastructure to promote alternate channels of marketing to the farmers. Under the scheme, investment subsidy is provided @ 25% on the capital cost of the

cost for each project in case of North Eastern State, hilly areas and to Scheduled Castes/Scheduled Tribes entrepreneurs. In respect of infrastructure projects of State Governments/State Agencies, there is no upper ceiling on subsidy to be provided under the scheme.

The Government also fixes Minimum Support Prices (MSPs) for major agricultural commodities and organizes purchase operations through public and cooperative agencies. The Government decides on the MSPs for various agricultural commodities taking into account the recommendations of the Commission for Agricultural Costs and Prices, views of the state governments and other relevant factors.
